RE: Bernal, Freddie
DOCKET NO.: 2:14CR00073-RMP-1
REQUEST RELEASE FROM
RESIDENTIAL REENTRY CENTER
(RRC) PLACEMENT

Dear Judge Peterson:

Freddie Bernal began his 32-month term of supervised release on August 13, 2015, after serving a 4-month revocation sentence for failing to report a change in employment, using controlled substances, failing to submit to urinalysis testing as directed, and failing to participate in required drug treatment. As a special condition of Mr. Bernal's supervised release, he began his placement at the residential reentry center (RRC) on August 13, 2015.

Mr. Bernal has been able to secure appropriate housing with his girlfriend, Brittany Cervantes, in Lewiston, Idaho. The undersigned officer submitted Mr. Bernal's release request plan to the District of Idaho for investigation and possible acceptance. The plan has been accepted and Mr. Bernal has been approved to reside in the District of Idaho, upon release from the RRC.

It appears that Mr. Bernal has found an appropriate release address and the undersigned officer respectfully requests that he be released from the RRC program. This will enable Mr. Bernal to start his chemical dependency treatment in the District of Idaho as well as look for employment in that area.

Should Your Honor require a different course of action, or a court appearance by Mr. Bernal, please advise the undersigned officer.

Respectfully submitted,
